

MISSION

STOBER puts things in motion...

... INTEGRALLY AND PRECISELY

We put ideas in motion with passion and a great deal of dedication. In the process, we rely on our decades of experience and an exceptionally broad range of products. Our customers benefit from precise, practical system solutions for drives and automation with uncompromising quality and expert individual consultation.

... AS A TEAM AND WITH PERSONALITY

As a family-owned company, close relationships are extremely important to us. We build relationships with our employees, customers, and partners based on trust. We put people first. We advocate for our employees' well-being, see things from our customers' perspectives, and demonstrate personal commitment to our mutual success.

... RESPONSIBLY AND IN A FORWARD-LOOKING MANNER

Innovation is what drives us. Since its founding, STOBER has stood for trendsetting innovations. We get excited about new ideas and solutions and invest in training our employees and developing our products, processes and subsidiaries around the world. We take responsibility for protecting our planet and the people on it. We pursue sustainable growth in order to ensure our long-term success.

STOBER Mission Statement

**At home in the world of
demanding motion**

VISION

The preferred partner for perfect motion

Perfect motion is smooth, fast, precise, and reliable. It requires dedicated employees, seamless processes, and excellent products. Together with our customers and partners, we aspire to develop innovative products and strive for top performance. To accomplish this, we provide drive and automation system solutions. We put our heart and soul into our solutions, guaranteeing our company's success today and in the future.

WE ARE STOBER

Connected. Committed. Compassionate.

THE BIG PICTURE

WE THINK IN TERMS OF INTEGRATED SOLUTIONS

When creating our solutions, we integrate all aspects of our company: people, processes, and products. Our comprehensive STOBER solutions offer unbeatable advantages. As a trusted partner, we are there for you from day one – every step of the way.

QUALITY

QUALITY IS IN OUR GENES

At STOBER, quality is in our genes. And we are proud of it. We strive to always offer our customers the best possible products and service. We are never satisfied. We constantly work to improve our performance.

DEDICATION

WE GIVE OUR ALL FOR OUR MUTUAL SUCCESS

We are passionate about our mutual success. And we achieve our goals by offering top service and support. We put ourselves in our customer's shoes in order to truly understand the challenges they face. We take the time to listen because we feel that close, personal dialog is the key to success.

TEAMWORK

WE EMBRACE TEAMWORK

We support teamwork within the company, as well as with our customers and external partners. Why? Because we are stronger and more successful together. Most of all, we feel it is vital that this teamwork is based on a solid foundation of honesty, fairness and trust. We believe in learning and growing together.

INNOVATION

INNOVATION IS WHAT DRIVES US

Innovation is what drives us. We maintain a constructive, creative environment with lots of space for our employees to hone their skills and develop innovative ideas. We are at home in the world of demanding solutions.

RESPONSIBILITY

SUSTAINABLE GROWTH IS OUR TOP PRIORITY

We have deep roots in our local communities and strong ties to our employees and partners. We maintain our company's financial independence and strive for sustainable growth. We make our decisions carefully, taking into account the environment and the people affected today and in the future.
